

Day by Day overview ;

This immersion is all about sacred journey of incarnation through the Womb of The Mother , through honouring of All Life and it's origin into incarnation of Divine Child - lover , sacred activist , peace maker .

First 3 days we will journey in deep primordial realms of our roots and origins , deepening our communion with Ancient primordial Goddess - though work with the elements , invocations , sacred chants , dance and poetry .

On day 4 we will have our sacred pause and you will receive a recording of me talking about the Mysteries of Divine Mother and why Her wisdom is so important for our time .

Last 3 days is a journey of Incarnation , embodied experience of living this life in s sacred manner , rooted in the Wisdom of The Great Mother .

Day 1 : “Our roots”

We will open our circle together with a short welcome video .

You will receive Basic practices which you will follow trough out the immersion :

An invocation and a Prayer

Video demonstration of our sacred and ancient Mother chant .

Practice of ReMembrance .

And you will receive Sacred Earth (day 1) Water (day 2) , Fire (day 3) chant

As well as playlist for music with which you can dance and explore in body experience of deeper communion with earth .

(I will also include a little video of how to practice Element dance)

That will remain almost same for the whole immersion .

And We also make an altar for our immersion .

There will be some guide lines and examples .

Day 2 : “ Flowing with the water “
